## 30 Success Stories from the Field

Introducing a new way for  
 rural farmers to obtain  
 veterinary services in  
 Malawi

In a village, a community  
 worker takes a group  
 of farmers to a mobile  
 clinic. The clinic is  
 a small, white, portable  
 structure that can be  
 moved to wherever the  
 community needs it.  
 The clinic is staffed by  
 a community health  
 worker and a veterinarian.  
 The community health  
 worker is trained to  
 identify and refer cases  
 to the veterinarian.
